# MORE ON YARDAGE

- When making option 1 (fingering + mohair), you will need the same amount of EACH type of yarn.
- If striping, divide the total by the number of colors used.
- Yardage provided includes 5% extra for swatching and margin of error. Amounts will vary if length is adjusted or hip shaping is added.
- Long tapered sleeves use approximately 430 (440, 455, 485, 505) (550, 585, 635, 645) m / 470 (480, 500, 530, 555) (600, 640, 695, 705) yds;
- The edging and pockets use approximately 15% of the total yardage for hip-length and 6% for cropped length.
- Add 145 (160, 175, 185, 205) (220, 235, 245, 260) m / 160 (175, 195, 205, 225) (240, 255, 270, 285) yds for every additional 10 cm / 4 in of body length.
